

REINFORCEMENT ACTIVITIES

Subject: English

Grade: 6th

Period: II

Year: 2019

SUGGESTION

Each period, the teacher formulates a problematizing question or situation related to the learning goals that help the student to train him/herself and get ready to prove his/her knowledge and proficiency levels in each area. This process is scheduled on May 24th. The student should consult the bibliographic references cited by the teacher and turn in five academic products for the period.

1. Problematizing question:

How can I help my community?

2. Learning Goals:

- I am able to identify the general content and relevant details in conversations and oral presentations, being able to also talk about my past.
- I am able to organize and present different kind of events of my life, taking into account my past and present activities and experiences.
- I am able to respect and listen to my classmates when they are talking, besides I know how to be respectful with the different opinions as I can accept people's differences.

3. Activities:

- Write a suggestion to the following cases: (Use any of the expressions learned in class)
